Ms. Diana Bagrationi
President of the Diana Bagrationi Foundation

Dear Ms. Bagrationi,

Let me convey our deepest appreciation towards the efforts and work that Diana Bagrationi Foundation does for the interests of Georgian diaspora.

We highly value the initiative to celebrate the Georgian-American Heritage Day in the United States and we believe that this will play a role in strengthening the relations between Georgian-American communities.

Unfortunately, I am unable to attend the Georgian-American Heritage Day at Brooklyn Borough Hall in New York on September 22nd, 2022. I send my best wishes for the successful and fruitful celebration.

Kind regards,

First Deputy Chairperson of the Parliament
George Volski
