Dear Ms. Bagrationi,

I am pleased to acknowledge your gift of \$2,500 to Memorial Sloan-Kettering Cancer Center. Your donation will be used to support clinical and research programming in the Department of Pediatrics. Please disregard any previous letters of acknowledgment sent in reference to this gift.

As the nation's preeminent cancer center, Memorial Sloan-Kettering brings together outstanding people and resources in pursuit of an ambitious goal: to gain new insights into cancer through basic and clinical research, and to put those insights to work as quickly as possible through improved methods of diagnosis, prevention, and treatment. Today, more than ever, we rely on the generosity of friends who recognize the importance of this mission and share our commitment to moving it forward.

We appreciate your thoughtful contribution and, on behalf of the entire Memorial Sloan-Kettering community, I extend heartfelt thanks.

Sincerely,
