It is our pleasure to recall the fundraising event that the “Diana Bagrationi Foundation” held in the Consulate General of the Republic of Bulgaria in New York on January 18, 2018.

The purpose of the event was clear – to help children in Bulgaria who suffer from oncological diseases. The event provided the participants with a path to make difference and many of them were kind enough to donate and support the cause.

These days there are few noble causes worth to be fought and this is one of them.

The Consulate General of the Republic of Bulgaria in New York extends its gratitude to the Foundation for supporting the fight against cancer especially when it concerns the youngest in our society.

Sincerely,

Plamen Georgiev, Ph.D.
Consul
