

THE CITY OF NEW YORK  
OFFICE OF THE MAYOR  
NEW YORK, NY 10007

January 27, 2017

Dear Friends:

It is a pleasure to join the Diana Bagrationi Foundation in welcoming everyone to its 2017 Charity Concert, benefiting pediatric cancer care at Memorial Sloan Kettering Cancer Center and the Gift of Life Foundation, Russia.

My most important responsibilities as Mayor are to protect the health and safety of all New Yorkers and provide people with access to the resources they need to lead long and fulfilling lives. This means working with health and community partners to connect our residents to the care they need. By raising funds for institutions dedicated to finding cures and supporting people with life-threatening illnesses, the Diana Bagrationi Foundation is helping to forge a brighter, healthier future for people across the five boroughs and beyond. I am proud to join in recognizing its efforts that represent the care and compassion that our city is known for.

On behalf of the City of New York, please accept my best wishes for an enjoyable concert and continued success.

Sincerely,

A handwritten signature in cursive script that reads "Bill de Blasio".
