Dear Ms. Bagrationi,

I am so pleased to receive your message. Please forgive my tardiness in responding back to you. Hurricane Sandy presented a lot of difficulties for family and friends, and so I was focused on assisting them.

That said, I have wonderful and lovely memories of your warm evening at the Russian Consulate. I was so happy to accompany dear Alec, and we all had such a delightful time. It was especially touching to know of all the help you are giving to the pediatric cancer community. As a mother who lost a beloved son to this dreaded illness, I am very grateful to you for your efforts.

I would enjoy speaking to you further on the possibility of working together toward the benefit of families who are touched by childhood cancer. Please feel free to call me at a time that is opportune for you. I know all those on my Board of Directors will especially enjoy meeting you in the future.

Sincerely Yours,

Camille Orrichio Loccisano
