Dear Diana,

The Diana Bagrationi Foundation has been a consistent partner in helping RACH-C present the YOLKA Celebration at the Consul General of the Russian Federation for several years as well as helping us with other projects. This year your organization provided a very generous gift of \$1,000 to support the YOLKA event on December 19, 2015.

I so wish you and your family had been there to see with your own eyes the joy that you helped the children feel. Even their parents and grandparents couldn't help but be touched by sweet nostalgia. Thank you so much for your continued support of our work, especially this Yolka Celebration at which all who attend feel connected by childhood culture and traditions.

We are also very grateful that the Consul Generals of the Russian Federation over the last ten years, especially Consul Golubovsky, have expressed their confidence by continuing to honor us with the opportunity to collaborate with them in producing this annual pageant that has become so immensely popular over the last decade.
