Memorial Sloan Kettering Cancer Center (MSK) gratefully acknowledges your gift of \$200.00 in support of our mission, which you recommended through Diana Bagrationi Foundation. MSK is pioneering advances in how we understand and treat cancer—developing more effective ways to outsmart the disease. By partnering with us, you are giving our physicians and scientists the resources they need to translate research breakthroughs into clinical innovations.

On behalf of the entire MSK community, I extend heartfelt gratitude for your generosity and commitment to our mission. Your support ensures continued excellence across all of our many clinical, research, and educational initiatives—bringing hope to patients and families worldwide.

We think of you and your family, and wish for your good health, during these difficult times. Providing the best care to our patients is always our highest priority, and your giving continues to make a tremendous impact.

Sincerely,

Kenneth Manotti
