

Dear Princess Diana Bagrationi!
Dear Mr. Valery Kourtey!

On behalf of our students and staff I would like to express my gratitude to Diana Bagrationi Foundation and VK Studios for a considerable input in organizing a Master-class session by a talented singer Vakhtang Gordeli-Paliashvili.

This special event hold at ASA College of New York in honor of Vladimir Vysotsky on July 19, 2014 has attracted quite a number of high ranking people representing political, diplomatic, artistic and cultural circles of the Russian speaking communities, and mass media.

Everyone in attendance was impressed by a unique performance which was a heart-felt and incredible delivery of Vladimir Vysotsky's soul and mind, and not a mere reproduction of his songs.

Your contribution to the success of the event was great, and helped us to make it so very special and memorable for all of us.

I hope that ASA College will participate in many other cultural events initiated by Diana Bagrationi Foundation and VK Studios in the future.

Sincerely,
